RECORDS SYSTEM

For the period prior to Summer of 1983, student records may appear on more than one type of transcript.

All current credits are in quarter units. One quarter unit equals two-thirds of a semester unit. Foothill College converted from a semester to a quarter system in Fall 1968.

Standard grading effective Fall 1968 through Summer 2006. Plus or minus grading became effective Fall 2006.

An E in the far right column of the course information line indicates a course which has been excluded from the cumulative Grade Point Average.

GPA (Grade Point Average) is determined by dividing Grade Points by Grade Units. Attempted units include W, FW, I, and NP grades and are not counted in the GPA.

COVID-19 impacted quarters include W20, Sp20, and Su 20, F20. During these terms, F grades were **not** counted in earned units or the GPA; and D+, D, D- grades were **not** counted in GPA.
